Health & Safety Information

ILT Stadium Southland is committed to providing and maintaining a safe facility to all members of the public. All children participating in the Clip 'n Climb 'Beyond the Limits' programme will receive a safety briefing at the beginning of each session from our qualified Clip 'n Climb instructor. It is important that your child listens to this briefing and understands the rules of the climbing area. We encourage parents and caregivers to join the children for the safety briefing so they also understand the expectations and rules of the climbing area and the Beyond the Limits programme.

Consent

Rock climbing is an inherently risky activity. I understand that there are risks associated with taking part in the 'Beyond the Limits' programme and that these risks cannot be completely eliminated. I understand that ILT Stadium Southland will identify any foreseeable risks or hazards and implement correct management procedures to eliminate, isolate or minimise those hazards.

I agree to my child taking part in the 'Beyond the Limits' programme and have received sufficient information on which to base a decision. I agree to their participation in the activity described. I acknowledge the need for them to behave responsibly. I agree to notify the climbing instructor of any special needs or learning difficulties my child has which may affect their understanding of the safety briefing. I will also notify the instructor of any injuries which may affect my child's ability to climb. I understand that my child must follow the supervisors instructions at all times and failing to do so may mean my child is stopped from climbing. I know that I am able to ask any questions about the activities my child will be involved in, to gain a better understanding of the risks involved. My child and I both understand that they may withdraw from an activity if they feel at risk. This must be done in consultation with the person in charge. I understand that ILT Stadium Southland does not accept responsibility for loss or damage to personal property. I understand that there is a no refunds policy associated with this climbing programme as spaces are limited. The \$60 for the climbing programme must be paid prior to the beginning of the programme to confirm a place. The payment covers all six sessions and any missed sessions by a participant cannot be made up at another date. By providing ILT Stadium Southland with your email address, you are agreeing to receive further email updates/ newsletters in relation to Clip 'n Climb & Rock Climbing Programmes.
